

# A DAILY AFFIRMATION FOR YOU

*Today I have peace within.*

*I trust that I am exactly where I am meant to be.*

*I will always remember the infinite possibilities  
that are born of faith in myself and others.*

*I now use the gifts that I have received and pass  
along the love that has been given to me.*

*I love and accept myself just as I am.*

*I am prosperous in all areas of my life.*

*I now let this knowledge settle into my bones and  
allow my soul to sing, dance, praise and love. I am  
free! So be it.*
